Get access to original articles, interviews with higher education leaders, best practices, admissions trends, compliance and regulatory issues, school operations, news and events, plus more.

ADVERTISE with CER

CER gives organizations the opportunity to reach hundreds of top management leaders in the career education sector. A majority of our subscribers are decision makers; **81% of CER subscribers are CEOs, COOs, presidents, and vice presidents.**

"There has never been a more important time to stay informed, learn from sector experts and be involved than right now. Career Education Review is there month in and month out for our entire leadership team. Many articles are shared with staff and discussed in meetings. We find the variety of subjects incredibly helpful in maintaining a sector wide perspective. Trend spotting becomes significantly more efficient when CER does the work."

– **Fred Freedman, President/CEO, Pima Medical Institute**

About CER

The *original* Career College Information Source, **Career Education Review (CER)** is dedicated to providing top management, owners, sector leaders, and suppliers with the in-depth information required to operate a successful educational institution. With over 90 years in circulation, CER is a trusted ally in the admission, retention, placement, and education of millions of prospective students every year. We serve as the daily pulse of the career education community – bringing a snapshot of the news, trends, research, and upcoming events.

Daily News Updates

Get all your CAREER education news in one place. CER's daily news emails include career college updates, education news and trends, new campus locations, new programs and personnel appointments and promotions.
