

## About CER

The *original* Career College Information Source, **Career Education Review (CER)** is dedicated to providing top management, owners, sector leaders, and suppliers with the in-depth information required to operate a successful educational institution. With over 90 years in circulation, CER is a trusted ally in the admission, retention, placement, and education of millions of prospective students every year. We serve as the daily pulse of the career education community – bringing a snapshot of the news, trends, research and upcoming events.
